THE GREATER BALTIMORE CHAPTER
NATIONAL FOOTBALL FOUNDATION
AND COLLEGE HALL OF FAME

Football has become the emotionally integrating force of the American school and college and, to no small degree, a unique training ground for leadership in our competitive society. The National Football Foundation and College Hall of Fame is a nationwide organization whose purposes include: the promotion of our American football game as an integral and vital part of our education processes; the encouragement of playing the game at all levels of competition – on the sandlots, in junior and senior high schools, and in colleges; and the establishment of the proper incentives and ideals for American youth consistent with high standards of sportsmanship among players. The College Football Hall of Fame honors those men who have excelled on the college playing field and contributed to society.

The Greater Baltimore Chapter is one of 120 chapters organized in the football centers of our nation. The Chapter held its first formal organized meeting on June 28, 1961. Through the efforts of such founders as Dr. George “Tank” McLaren, Harry Lawrence, John Donohue, Charley Havens, Dave Kaufman, Paul Menton, Don Kellet, Charles P. McCormick, Sr., and the Chapter’s first president, Howard “Dutch” Eyth, the foundation for the organization was formed.

Primary among its efforts, the Baltimore Chapter sponsors the annual Scholar Athlete Awards Dinner, which recognizes a scholar-athlete from each of the football-playing high schools in Baltimore City and the counties of Anne Arundel, Baltimore, Carroll, Frederick, Harford, and Howard and those who have made lifetime contributions to high school or college football. The first dinner was held in 1964 at the then Sheraton Belvedere Hotel under the chairmanship of Dr. R.D. “Bo” Menton, Jr. That year, 380 people attended the affair honoring 31 Scholar-Athletes. Through the years, more than 3,700 Scholar-Athletes have been honored and over 52,000 people have attended the dinner.

Scholarships awarded have amounted to more than \$365,000. Over 1,100 people will attend tonight’s dinner where we will honor 78 outstanding young men. The budget for this year’s affair exceeds \$75,000, in contrast to the original year’s budget of \$3,500. The Chapter takes great pride in its dinner, which is the largest of more than 100 similar events held by Foundation chapters throughout the country. Our dinner is the only one that honors a Scholar-Athlete from each of the football-playing high schools in its chapter region.

Over the years, the Chapter has awarded more than 190 trophies to area high school and college football teams who have had significant achievement. The Service to Football Award is given in honor of Herb Armstrong, a founding chapter member and longtime president of the Maryland Scholastic Association. The Award is not an annual award, but rather is given to deserving individuals who have made a significant personal contribution and commitment to football in this area. Recipients include Herb Armstrong, Dave Kaufman, Harry Lawrence, John Donohue, Dutch Eyth, Charley Havens, Gardner Mallonee, Earl Banks, Ed Hargaden, Steve Hokuf, Ed Hurt, Bob Lumsden, Herb Ruby, Mason Russell, Dick Working, Mel Filler, Mitch Tullai, Jim Head, Reddy Finney, Ed Novak, Lloyd White, Toy Cragway, Augie Waibel, Joe Brune, Nick Schloeder, Andy Borland, Elmer Dize, Denny Cox, Bill Bauersfeld, Bob Patzwall and Doug DuVall.

Upon request, our Chapter aids area schools and colleges with advice and counsel concerning their football programs. The Chapter is also a supporter of the *Johns Hopkins Heart Hype* program, the Baltimore Touchdown Club, and the National Football League Retired Players Association.

Individual memberships are \$40 per year; applications may be obtained by contacting the Baltimore Chapter at (410) 668-6901 or by visiting our web site at www.footballfoundation.org.

A. Paul Menton Award

Gilman Greyhounds

The Greater Baltimore Chapter of the National Football Foundation and College Hall of Fame annually presents the A. Paul Menton Award to the top ranked Baltimore area football team. The award is named in honor of the late A. Paul Menton, the long time sports editor for *The Baltimore Evening Sun*. Mr. Menton also served as the commissioner of game officials and was a founding member of the Greater Baltimore Chapter of the National Football Foundation.

This year's trophy goes to the Gilman Greyhounds. Head Coach Biff Poggi, in his 8th year at the helm of the program, was the #2 ranked team in Maryland and the 34th ranked team in the U.S. by *Maxpreps*. The 10-1 Greyhounds won the first MIAA A playoff championship with a 34-32 double overtime win over Calvert Hall.

The Greyhounds were led by Alabama bound, All-Metro and Offensive Player of the Year Cyrus Jones, Jr. and future Terrapin All-Metro Defensive Player of the Year Kenneth Goins, Jr. Jones was also selected as the Gatorade Maryland Player of the Year, and was joined on the All-Metro team by first team members OL Brian Gaia, DL Henry Poggi, LB Micah Kiser and second teamers LB Miles Norris and LB Devon Porchia.

Coach Poggi's coaching staff included Chris Baucia, Buzz Battaglia, Sherm Bristow, Sean Costello, Johnnie Foreman, Jeff Gouline, Keith Kormanik, Bill McGregor, Sam Poggi, Henry Russell, Marlon White, Stan White, and Troy Wilson.

The Courage Award

For the third year, the Professional Athletes Foundation, through the local National Football League Former Players Chapter, is proud to partner with the Greater Baltimore Chapter of the National Football Foundation to present The Courage Award to a student athlete that has excelled both on and off the playing field while overcoming personal hardship during their young playing careers.

Tonight we will be presenting scholarships to a male and female athlete. Both athletes must be current student athletes and the male athlete must have played football during his senior year of school.

At a minimum, the candidates for The Courage Award must have a 3.0 GPA, must have participated in at least one

varsity sport during their senior year, must plan to enter a two or four year university in the following calendar year. Nominees also cannot be recipients of any scholarship funds or grants to participate in college athletics and cannot be the son or daughter of a current or former NFL player.

Alexandra Bryant of Eastern Tech High School and Antoine Wright of Catonsville High School will be our award recipients tonight. Their compelling stories will inspire you, as they have with everyone else that has met, taught or coached them.

Ben Eaton, Sr. Championship Awards

2011 was another remarkable season for the Greater Baltimore Chapter area high school programs, as all four state public school titles were captured by member schools of our association. The 2009 season was the last time this feat was accomplished, both of which point to the impressive strength and commitment of our athletes, parents and coaches to the sport of football on a local level.

For these achievements, the Greater Baltimore Chapter of the National Football Foundation will present the Ben Eaton Sr. Championship Awards to our four state championship schools. These awards were renamed in 2008 to honor the memory of now legendary coach Ben Eaton, Sr. of Dunbar High School, who died suddenly prior to the start of the 2007 football season. Recognized by his peers and the community at large, Coach Eaton set a standard coaches aspire to as a counselor, mentor, leader and friend.

Dunbar High School

The Dunbar Poets won their second consecutive championship and fifth in six years, with a 32-11 victory over the Perryville Panthers of Cecil County in the 1A state title game at M&T Bank Stadium on Dec. 3. The 12-2 Poets came back from a halftime deficit to capture the title from a determined Panther (13-1) squad.

The Poets were led by Head Coach Lawrence Smith, first team All-Metro free safety DeonTay McManus and Second Team All-Metro defensive back Terrance Williams and linebacker Charles Brown.

This win was Dunbar's eighth state championship, finishing the season ranked number 6 in the *Sunpapers* final football poll and 12th in the Maryland *Maxpreps* poll.

Middletown High School

Frederick County's Middletown Knights secured their first state championship in a Class 2A battle against Frederick Douglass High School of Prince George's County at M&T Bank Stadium on Dec. 3. The 43-6 victory was assured when Middletown scored 27 unanswered points to start the second half, amassing 435 total yards, 335 of which were on the ground.

The 13-1 Knights title run came on the heels of their 19th Monocacy Valley Athletic League championship. This was the second consecutive appearance in the state tournament for Middletown and fifth in the history of the school.

Head Coach Kevin Lynott's Knights finished the year ranked number 4th in the Maryland *Maxpreps* poll.

River Hill High School

River Hill captured their third state title with a 41-13 win over Thomas Johnson Patriots of Frederick County in the 3A state title game at M&T Bank Stadium on Dec. 3. The 12-2 Hawks benefited from nine turnovers and the efforts of a defense that held opponents to an average of 5.3 points per game to stymie a Patriots (10-4) squad that was playing its last game for retiring coach Ben Wright.

The Hawks were led by All Metro second team running back Aaron Wells and second teamer offensive lineman Karrs Johnson.

Head Coach Brian Van Deusen's Hawks, who ended the season with a ten game winning streak, finished the year ranked number 5th in the *Sunpapers* final football poll and 6th in the Maryland *Maxpreps* poll.

Old Mill High School

Coming back from a 21 point deficit, the Patriots of Old Mill won an exciting 36-35 overtime contest to win the Class 4A championship on December 2nd at M&T Bank Stadium. The 13-0 Patriots topped previously undefeated Quince Orchard High School of Montgomery County to win its second state title in three years.

Led by Towson University-bound All Metro running back Rob Chesson and first team All Metro teammates Salaman Riddell and Torie Wagner, Old Mill averaged 41.3 points per game in 2011 and allowed no other opponent to get closer than 21 points since the second game of the season.

Head Coach Damian Ferragamo's Patriots finished the year ranked 3rd in the *Sunpapers* poll, 2nd in the *Washington Post* poll and 5th in the Maryland *Maxpreps* poll.

Herb Armstrong Service to Football Award

The Service to Football Award is given in honor of Herb Armstrong, a founding chapter member and longtime president of the Maryland Scholastic Association. The Award is not an annual award, but rather is given to deserving individuals who have made a significant personal contribution and commitment to football in the region. Recipients include Herb Armstrong, Dave Kaufman, Harry Lawrence, John Donohue, Dutch Eyth, Charley Havens, Gardner Mallonee, Earl Banks, Ed Hargaden, Steve Hokuf, Ed Hurt, Bob Lumsden, Herb Ruby, Mason Russell, Dick Working, Mel Filler, Mitch Tullai, Jim Head, Reddy Finney, Ed Novak, Lloyd White, Toy Cragway, Augie Waibel, Joe Brune, Nick Schloeder, Andy Borland, Elmer Dize, Denny Cox, Bill Bauersfeld, Bob Patzwall and Doug Duvall. Tonight we honor another individual who has had a tremendous impact on the local amateur football community.

Roger Wrenn, a high school coaching legend, just completed his 43rd year of coaching football, his 37th as a head coach, with an 11-1 season at Baltimore Polytechnic Institute. A 1969 graduate of Frostburg State College where he was a two year captain of the team, Roger began his high school coaching career at Fort Hill High School in Cumberland before moving to Howard High School in Howard County then on to Baltimore City College High School as an assistant coach. In 1973 Roger led the JV team to an undefeated season and league championship. In 1974 Roger was offered the head coaching job at Patterson High School, where he went on to win 13 City

championships. In 2006, Roger he moved over to Baltimore Polytechnic High School, where he amassed a 47-17 record and this past year earned his 14th City championship with a stunning 22-16 come from behind win over arch rival City College in their 123rd meeting. In 2004, Roger was elected to the Maryland State Football Coaches Hall of Fame and honored as a Baltimore Touchdown Club Coaching Legend.

Roger's career football coaching record was 284-113-2, but his greatest legacy may be the number of assistant coaches that went on to head coaching positions after serving as a member of his staff. 11 individuals are now head football coaches in the Greater Baltimore area, and to a man, all have given Roger great credit for instilling in them a sense of discipline, a need for organization, self-responsibility and confidence that they could be coaches on their own. Interestingly, the entire coaching staff of the Baltimore/Northeast Chargers, the 2010 National Championship Pop Warner U-13 football team, played for Roger at Patterson.

Roger coaching and teaching career also included stints as the chairman of the Patterson physical education department, 15 years as the athletic director and 29 years as the head baseball coach at Patterson High School. Roger's Clippers' baseball program had a record of 431-169-2, resulting in 12 City championships, 9 Coach of the Year awards and the second most wins of any Maryland public high school coach. In 1997 Roger was elected to the Maryland State Association of Baseball Coaches Hall of Fame in 1997 and the Old Timers Baseball High School Coaches Hall of Fame in 2001.

Roger's commitment to the sport includes an extended tenure on the board of the Greater Baltimore Chapter of the National Football Foundation, where he served as the Chapter President in 1996-1997. Roger has been a consistent advocate of the Foundation and its mission, as well as working on this event's dinner committee. Roger is also a past president and former board member of the Baltimore Touchdown Club and a past president of the Maryland State Football Coaches Association.

Roger and his wife, Donna Bowers, the former athletic director at Patterson High School, are planning to enjoy their retirement with travel and time with their three children, Russell, Kelly and Alexander, and six grandchildren.

The 2011 football season was also characterized by the noteworthy successes of several local college teams that had record setting performances, which garnered national attention. The Greater Baltimore Chapter of the National Football Foundation would like to recognize those teams and individuals for their accomplishments.

Salisbury University

The Seagulls enjoyed their deepest journey into the NCAA

tournament this year, reaching the Quarterfinal Round of the Division III playoffs before losing to the defending and eventual national champion University of Wisconsin-Whitewater. Head Coach Sherman Woods, the AFCA Region 1 Coach of the Year, just completed his 19th year at the helm of the Seagull program, led the team to a 11-2 record and a 9th place ranking in the AFCA Division III poll.
